

PAVNEET KAUR

Web Developer

PROFILE

WEBSITE:

<https://portfolio-github-io-swart.vercel.app/>

1. I am able to code web pages from the ground up using HTML, CSS, Bootstrap, jQuery, and JavaScript. Along with this I can work efficiently with Git Version control and have a lot of knowledge about Git.
2. More than 1.5-year Experience in customer Service grants me ability to easily communicate with the clients and fellow developers to establish the necessary requirements to complete projects in professional and timely manner.
3. Along with web designing I love to work on Command Line and using Query language to work on Database.

EDUCATION

Seneca College

September 2021 – December 2021

I did my diploma in Computer Programming from Seneca College. My overall GPA is 3.4

WORK EXPERIENCE

I really don't have any experience of working for a company, but I did three courses in WEB DEVELOPMENT, and I did a lot of projects during that time period, all my projects I have posted on my GitHub account. My Greatest achievement during the completion of WEB courses is an Artwork Application that I made using React. I have given the link of my application the Projects Section of this resume.

SKILLS

1. JavaScript 2. TypeScript 3. HTML5 4. CSS 5. Bootstrap 6. Git 7. React 8. jQuery 9. Basics of C, C++ and Python 10. Oracle 11. MongoDB 12. Linux

PERSONAL PROJECTS

- **Artwork Application**

<https://web422-a6-main.vercel.app/>

This is an application which is made to present the data of Metropolitan Museum Art Collection API. This is a responsive website deployed on Vercel, which works perfectly fine on any screen size. This application was made using Next.js framework template designed by React.

This application allows the user to register to this website and view all the information related to the artwork. For exploring the website, please visit the website link given above.

- **Portfolio Site**

<https://portfolio-github-io-swart.vercel.app/>

I created my simple Portfolio using HTML and CSS. This has all the information about education and my achievements. This is styled with modern CSS using CSS Grid and Flexbox.
